Blossom Vesak 2021 was held online on 22nd May 2021.

Themed "Unity in Diversity" and aimed to raise funds to support our various programmes for the vulnerable seniors, our online event was graced by our Guest of Honour, Mr Ong Ye Kung, Minister for Health.

With the highlight being the special Unity Tree light-up, we were heartened to receive over 200 participants on Zoom and over 3000 views through our Facebook live despite having to hold the fundraiser virtually.

Together with our distinguished guests, supporting agencies and donors, we were treated to a line of light-hearted special performances and dances by our enthusiastic seniors. It was indeed a joyful and enjoyable fundraiser!

Testimonials

Sabaria sharing her experience in Blossom Seeds as volunteer

Congratulations!
Today's event was a success!
 It was nice seeing all seniors come together like that even though many are not so tech savvy.
