

Background

Singapore's pressing challenges of a rapidly ageing population include

- Chronic health conditions
- Cognitive challenges
- Little or no income
- Little or no family support

Blossom Seeds supports seniors to blossom in their golden years to stay active.

All seniors desire a life with **good health, dignity, economic independence and finally a peaceful demise**. We help them to **stay socially connected and meaningfully engaged through constant learning and volunteer work**. This in turn **keeps them happy and purposefully driven**, and hence will lead to **reduce nation's health costs**.

To Serve with Love and Care

Mission and Vision

VISION

A compassionate community where
everyone blossoms

MISSION

To care for seniors with love and support them to
actively care for others.

Background

Blossom Seeds (BSL) has 3 programmes partnering Agency for Integrated Care (AIC) to support our needy seniors in Sembawang GRC since 2018. Our 3 programmes are Active Ageing Centre (AAC) with Community Befriender Programmes and Medical Escort & Transport Service (MET). SGCare Centre to promote volunteerism by Ministry of Culture, Community and Youth (MCCY).

To Serve with Love and Care

Strategic Plan 2021 – 2023 – Our Achievements

We operate from 105 Canberra St since 2018. With our experience in MET and AAC, we plan to expand by partnering AIC.

Capability and Achievements

Since established its presence at Canberra in Sembawang GRC,
Blossom Seeds

- has been **strengthening its partnership with many religious organizations , SGO, PA, Grassroot organisations and Community leaders.**
- **Raised its capabilities with more staff recruited from 8 to 22 in 2022.**
- **Volunteer based also expanded 3 folds as well as beneficiaries from 50 to 300 seniors (2022).**
- **Fundraising capabilities have received & supported by many Corporations and Foundations and many individuals.**

To Serve with Love and Care

Strategic Plan 2024 – 2028 – Mission and Vision

1. Home Palliative Care

To establish and commence building capabilities in **Home Palliative Care** services in Sembawang GRC in 2024 with support and partnering AIC and other community partners and stakeholders.

2. New AAC Centres

To establish 5 **New AAC centres** - in Sembawang GRC partnering AIC commencing from 2024 to 2028 in line with Healthier SG.

3. MET

To cover Marsiling constituency with resources

Strategic Plan 2024 – 2028 – Mission and Vision

4. Assisted Living Shelter

- A plot of land to build Assisted Living Shelter or high rise Building to cater for needy multiracial lonely seniors with no income or family support.
- Since 2016, we have expressed our long-term mission to build a shelter home and Nursing Home (short term stay with an objective to get seniors returning to their own dormitory or homes) .
- This will be our continuing care to the senior beneficiaries whom we serve now from our Sembawang Central and later GRC.
- It also enhances our commitment to the community to meet the need as well as deepens our care.
- When land is eventually obtained with AIC support and SLA, it takes another 3 to 5 years for the building to be ready.
